

Figure Play

- Ensemble ad lib.

1. Choose freely a figure and play it.
Change to a new figure if you hear
marked attacks. (2-4 min.)

2. Play figures in free random.
Take a pause if the amount
of sound exceeds your
limit. (Number of figures
ad lib.)

3. Play - and choose figures
freely. Play an arbitrary
figure particularly
accentuated and as a
caricature if you are
missing action or if
something sounds too
ordinary. - Continue
until each musician
has played between
3 and 7 figures.
